OVERVIEW

- The final residences within **Ascent at The Phoenician®**, a private gated community at the base of iconic Camelback Mountain and adjacent to **The Phoenician®**, one of Arizona's premier luxury resort destinations
- The pinnacle of luxury, with 63 thoughtfully designed residences – including a limited number of signature penthouses – featuring distinctive finishes inspired by the natural environment
- An integrated vision spans both architecture and interiors, creating grand spaces and open floor plans that flow seamlessly from great rooms to expansive terraces
- From one bedroom plus den to three bedroom plus den residences, plans range from 1,500 to over 4,800 square feet
- Recognized by *Architectural Digest's* prestigious AD100 list, **Olson Kundig** is known for architecture in some of the world's most coveted locations
- Developed by **Replay Destinations** – renowned for creating luxury destinations and communities that immerse homeowners in a rich array of playful, social, and active experiences

ARCHITECTURE

- The Summit Residences represent **Olson Kundig's** thoughtful response to an iconic landmark, integrating architecture with the surrounding landscape
- Materials reflect the unique qualities of the desert environment, emphasizing enduring beauty and connection to place
- Local stone anchors both buildings to their Camelback Mountain setting, while metal screens respond to the ever-evolving desert light
- Deep cantilevered rooflines create shade for outdoor spaces
- On ground-floor residences, native plantings define intimate outdoor living areas
- Full-height walls of glass frame views, while sliding panels dissolve the boundary between indoor and outdoor spaces
- On terraces, refined cooking zones and integrated fire features create exceptional spaces for entertaining

AMENITIES

- Private gate and guardhouse at entrance to the Ascent community
- Adjacent to your Summit residence, the **Mountain Club** has a private pool, fitness rooms, great room, games room, and catering kitchen
- Intimate residential lobbies include exterior materials such as weathered steel, wood panels and a 10-foot wood paneled pivot door featuring a custom **Tom Kundig Collection** door handle
- Crowning the Summit Residences' twin buildings are a pair of private rooftop terraces, ideal for watching sunsets
- Access to Camelback Mountain's Cholla Trail
- Public amenities of the adjacent **Phoenician® Resort**, including numerous culinary experiences and the new **Phoenician® Golf Course**
- The **Phoenician® Amenity Access Program** is an optional annual membership with a range of privileges and special offers at the resort
